## Financial Claims Scheme

The Financial Claims Scheme (FCS), also referred to as the Australian Government Deposit Guarantee, applies to deposits held in all Authorised Deposit-taking Institutions (ADIs) incorporated in Australia and authorised by the Australian Prudential Regulation Authority (APRA). This includes credit unions, building societies and banks.

The FCS is an Australian Government scheme that protects total eligible deposits up to a limit of \$250,000 for each account holder at each ADI. If an account holder has multiple accounts under the same name at the same ADI that are protected under the FCS, then the total combined amount of these accounts would be covered up to the FCS limit of \$250,000.

Queensland Country Bank Limited is an ADI incorporated in Australia and authorised by APRA and the deposit accounts provided are covered under the FCS.

Further information about the FCS can be obtained from the APRA website [www.apra.gov.au](http://www.apra.gov.au) and by contacting the APRA hotline on 1300 131 060.

## Complaints handling procedures

### Internal dispute resolution

Queensland Country has an internal dispute resolution scheme established to resolve any complaints or disputes relating to our products and services or the complaints handling process itself, where a response or resolution is expected. The expression 'complaint', for the purpose of this document means both 'complaint' and 'dispute' as defined under the relevant laws and regulatory requirements.

### Process overview

1. Wherever possible we will resolve your complaint at the time it is received. You should direct any complaint concerning the Bank, or its authorised representatives, to the person you are dealing with at Queensland Country, or their Manager, in the first instance.
2. If the issue is not resolved, we encourage you to lodge a formal complaint by completing a Complaint Notification Form (QCM0033) at any Queensland Country branch, although such notification is not required to be provided in writing.
3. You will receive acknowledgement of receipt of your complaint, in writing or orally, within 3 business days of its receipt and will be advised of the procedure for investigating and handling the matter.
4. We will write to you within 21 days of receiving your complaint, unless a different timeframe applies by law, to advise you of the outcome. Alternatively, we will advise you that a further period of time, not exceeding 24 days, will be required to conduct further investigations, with our formal proposal to resolve the matter being provided in writing to you no later than 45 days from when your complaint was first received.

### External dispute resolution

If you are not satisfied with our final response you may lodge a complaint, free of charge, with the Australian Financial Complaints Authority (AFCA). AFCA is an external dispute resolution scheme and can be contacted:
