- (iii) your taxable income in the previous financial year was not more than \$125,000;
- (iv) you:
  - a. do not **currently** hold a freehold interest in **real property\*\*\*** in Australia; or

- (v) you do not **currently** hold:
  - a. a lease of land in Australia as described in paragraph 104-115(1)(b) of the *Income Tax Assessment Act 1997*; or
  - b. a company title interest (within the meaning of Part X of the *Income Tax Assessment Act 1936*) in land in Australia;
- (vi) the loan is for the purchase of residential property or, if the loan relates to the purchase of an interest in land (or if the land is in the ACT, a registered lease of the land) on which a dwelling is not affixed, the loan relates to the construction of a dwelling on the land (including if you have sought pre-approval for a construction loan at the same time as you have sought the loan for the purchase of the land and you intend to enter into a construction contract within 6 months from the Loan Settlement Date of the Eligible Loan to acquire the land upon which a Dwelling will be affixed);
- (vii) you are **single**; and
- (viii) you are the natural or adoptive parent\*\*\*\* or the legal guardian of a person and:
  - a. that person is a **dependent child** of yours within the meaning of subsections (2), (3), (4), (5), (6) and (7) of section 5 of the *Social Security Act 1991* (Cth); OR
  - b. that person, (i) is in receipt of a disability support pension within the meaning of the *Social Security Act 1991* (Cth) and (ii) lives with you.

\*A person is an **Australian citizen**: (i) if they meet the criteria for automatic acquisition of Australian citizenship under the *Australian Citizenship Act 2007* (Cth), or (ii) in the case of all other cases of citizenship by acquisition, their application for Australian citizenship has been approved and registered in accordance with the *Australian Citizenship Act 2007* (Cth).

\*\*A **permanent resident** is a person who satisfies the definition of permanent resident in the *Australian Citizenship Act 2007* (Cth). Your Participating Lender will advise you of whether you qualify as a Permanent Resident.

\*\*\* **"real property"** means the land, everything permanently attached to it, and all of the interests, benefits, and rights inherent in the ownership of real estate.

\*\*\*\* A person is not a **natural parent** or **adoptive parent** by reason only of being a carer or guardian.

**When are you single?**

A person is **single** if that person (i) does not have a spouse and (ii) does not have a **de facto** partner.

If you are separated but still married, you are not **single**.

**When do you have a spouse?**

You have a **spouse** if you are legally married to another person.

**When do you have a de facto partner?**

You have a **de facto partner** if you are living with another person on a genuine domestic basis, as a couple or satisfy the definition of **de facto partner** in the *Acts Interpretation Act 1901* (Cth).

### When is a child a dependent child?

A child is a **dependent child** if one of the following applies:

1. A young person who has not turned 16 is a **dependent child** of another person (the **adult**) if:
  - the adult is legally responsible (whether alone or jointly with another person) for the day-to-day care, welfare and development of the young person and the young person is in the adult's care; or
  - the young person is not a dependent child of someone else (under the above test) and is wholly or substantially in the adult's care.
2. A young person is also a **dependent child** of another person (the **adult**) at a particular time if at that time the young person has reached the age of 16 but is under 22 years of age and is wholly or substantially dependent on the adult **and** the young person's income in the financial year in which that time occurs will not be more than \$13,844.45 (amended income threshold effective as of 1 January 2024).

If you are the natural or adoptive parent or a legal guardian of a person who lives with you and who receives a disability support pension within the meaning of the *Social Security Act 1991* (Cth), this will also satisfy the "dependent child" requirements for the Family Home Guarantee. A **disability support pension** is a support pension claimable by a person with a physical, intellectual or psychiatric impairment who meets the qualification requirements under the *Social Security Act 1991* (Cth).

### When is a child not a dependent child?

1. A young person **cannot be a dependent child** of an adult unless the adult is either an Australian citizen or a permanent resident and the young person is either an Australian resident or the young person is living with the adult.
2. A young person who has not turned 16 **cannot be a dependent child** if:
  - the young person is not in full-time education; and
  - the young person is in receipt of income; and
  - the rate of that income exceeds \$252.60 per week (amended income threshold effective as of 1 January 2024).
3. A young person who has turned 16 **cannot be a dependent child** of another person if the other person is the young person's partner.
4. A young person **cannot be a dependent child** if:
  - the young person is receiving a **social security pension**\*\*\*\*\* (other than a disability support pension within the meaning of the *Social Security Act 1991* (Cth)); or
  - the young person is receiving **a social security benefit**\*\*\*\*\*; or
  - the young person is receiving payments under a program included in the programs known as **Labour Market Programs**.

\*\*\*\*\* "**social security pension**" means an age pension, a disability support pension, a wife pension, a carer payment, a pension PP (single), a sole parent pension, a bereavement allowance, a widow B pension, a mature age partner allowance.

\*\*\*\*\* "**social security benefit**" means a widow allowance, a youth allowance, an Austudy allowance, a Newstart allowance, a sickness allowance, a special benefit, a partner allowance, a mature age allowance, a benefit PP (partnered) or a parenting allowance.

## **PART C | First Home Guarantee**

Complete Part C if:

- (i) you are applying for a First Home Guarantee;

- (v) the loan is for the purchase of residential property or, if the loan relates to the purchase of an interest in land (or if the land is in the ACT, a registered lease of the land) on which a dwelling is not affixed, the loan relates to the construction of a dwelling on the land (including if you have sought pre-approval for a construction loan at the same time as you have sought the loan for the purchase of the land and you intend to enter into a construction contract within 6 months from the Loan Settlement Date of the Eligible Loan to acquire the land upon which a Dwelling will be fixed).

\*A person is an **Australian citizen**: (i) if they meet the criteria for automatic acquisition of Australian citizenship under the *Australian Citizenship Act 2007* (Cth), or (ii) in the case of all other cases of citizenship by acquisition, their application for Australian citizenship has been approved and registered in accordance with the *Australian Citizenship Act 2007* (Cth).
